Allowable Subject Matter

4. Claims 49-62 are allowed.

The following is an examiner's statement of reasons for allowance:

Examiner has carefully considered the independent claims 48, 49, and 50.

Lokuge (USP 6252597) teaches "a compress button may also be provided to collapse an expanded hierarchy (col 3, lines 66-67) or "if the category has already been expanded, a mouse button click contracts the category" (col 7, lines 8-11). Bowden teaches using an icon for closing expanded menu panel (col 5, lines 54-67). The prior art does not teach collapsing an expanded menu item by selecting a non-selected menu

item as claimed. Specifically, the prior art does not teach or suggest "upon a user selection of a main menu item other than the selected main menu item, the first menu level is redisplayed by erasing the at least one sub-menu item displayed in the allocated space, closing the allocated space such that the first and second main menu items again occupy adjacent spaces" in specific combination as recited in claims 48, 49, and 50.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
